

IVAM HIGHTECH SUMMIT '26

INSIDE LIFE – ENGINEERING OUR FUTURE

JUNE 22 + 23, 2026, CORPUS, LEIDEN, NL

“INSIDE LIFE - ENGINEERING OUR FUTURE”

Under the guiding theme “Inside Life – Engineering Our Future”, the conference will explore technologies that are transforming both our inner and outer worlds, ranging from biotechnological innovations to visionary designs for the future. Together, we will examine how science and engineering are redefining the boundaries of life and actively shaping tomorrow.

- Join us as a part of the leading conference for the microtechnology industry!
- Become a Business Partner – gain year-round visibility through our network and with around 200 attendants at the event.
- Showcase your expertise – in the program, technical exhibition or hands-on-demonstrations.
- Shape the event – position your company early for maximum impact.

LOCATION

The CORPUS Congress Centre stands as a one-of-a-kind venue, nestled in the heart of the Leiden Bio Science Park and is conveniently located alongside the A44 motorway.

It is about 30 min from the international airport Amsterdam-Schipol and about 50 min from the city of Amsterdam by public transport.

Adjacent to CORPUS is the Hilton Garden Inn Hotel and together, these two establishments form a comprehensive complex.

A highlight will be a guided journey through the human body - come and experience it yourself!
